

Exhibit A

COMMONWEALTH OF PENNSYLVANIA

OFFICE OF THE GOVERNOR

ORDER OF

**THE GOVERNOR OF THE COMMONWEALTH OF PENNSYLVANIA REGARDING THE
CLOSURE OF ALL BUSINESSES THAT ARE NOT LIFE SUSTAINING**

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention (“CDC”) have declared a novel coronavirus (“COVID-19”) a “public health emergency of international concern,” and the U.S. Department of Health and Human Services (“HHS”) Secretary has declared that COVID-19 creates a public health emergency; and

WHEREAS, as of March 6, 2020, I proclaimed the existence of a disaster emergency throughout the Commonwealth pursuant to 35 Pa. C.S. § 7301(c); and

WHEREAS, I am charged with the responsibility to address dangers facing the Commonwealth of Pennsylvania that result from disasters. 35 Pa. C.S. § 7301(a); and

WHEREAS, in addition to general powers, during a disaster emergency I am authorized specifically to control ingress and egress to and from a disaster area and the movement of persons within it and the occupancy of premises therein; and suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, and combustibles. 35 Pa. C.S. § 7301(f); and

WHEREAS, in executing the extraordinary powers outlined above, I am further authorized during a disaster emergency to issue, amend and rescind executive orders, proclamations and regulations and those directives shall have the force and effect of law. 35 Pa. C.S. § 7301(b); and

WHEREAS, in addition to my authority, my Secretary of Health has the authority to determine and employ the most efficient and practical means for the prevention and suppression of disease. 71 P.S. § 532(a), 71 P.S. 1403(a); and

WHEREAS, these means include isolation, quarantine, and any other control measure needed. 35 P.S. § 521.5.

NOW THEREFORE, pursuant to the authority vested in me and my Administration by the laws of the Commonwealth of Pennsylvania, I do hereby ORDER and PROCLAIM as follows:

Section 1: Prohibition on Operation of Businesses that are not Life Sustaining

All prior orders and guidance regarding business closures are hereby superseded.

No person or entity shall operate a place of business in the Commonwealth that is not a life sustaining business regardless of whether the business is open to members of the public. This prohibition does not apply to virtual or telework operations (e.g., work from home), so long as social distancing and other mitigation measures are followed in such operations.

Life sustaining businesses may remain open, but they must follow, at a minimum, the social distancing practices and other mitigation measures defined by the Centers for Disease Control to protect workers and patrons. A list of life sustaining businesses that may remain open is attached to and incorporated into this Order.

Enforcement actions will be taken against non-life sustaining businesses that are out of compliance effective March 21, 2020, at 12:01 a.m.

Section 2: Prohibition on Dine-In Facilities including Restaurants and Bars

All restaurants and bars previously have been ordered to close their dine-in facilities to help stop the spread of COVID-19.

Businesses that offer carry-out, delivery, and drive-through food and beverage service may continue, so long as social distancing and other mitigation measures are employed to protect workers and patrons. Enforcement actions will be taken against businesses that are out of compliance effective March 19, 2020, at 8 p.m.

Section 3: Effective Date and Duration

This order is effective immediately and will remain in effect until further notice.

GIVEN under my hand and the Seal of the Governor, at the city of Harrisburg, on this nineteenth day of March two thousand twenty, the year of the commonwealth the two hundred and forty-fourth.

Tom Wolf

Order of the Secretary of the Pennsylvania Department of Health Regarding the Closure of All Businesses That Are Not Life Sustaining

To protect the public from the spread of Coronavirus (COVID-19), it is necessary that no person or entity shall operate a place of business that is not a life sustaining business regardless of whether the business is open to members of the public. Therefore, under the authority granted to me by law, I hereby order:

- 1) No person or entity shall operate a place of business that is not a life sustaining business regardless of whether the business is open to members of the public. This prohibition does not apply to virtual or telework operations (e.g., work from home). Life sustaining businesses may remain open, but they must employ social distancing practices and other mitigation measures defined by the Centers for Disease Control to protect their workers and patrons. A list of life sustaining businesses that may remain open is attached to and incorporated into this Order.

Enforcement actions will be taken against non-life-sustaining businesses that are out of compliance effective March 21, 2020, at 12:01 a.m.

- 2) All restaurants and bars are ordered to close their dine-in facilities to help stop the spread of COVID-19. Businesses that offer carry-out, delivery, and drive-through food and beverage service may continue, so long as social distancing and other mitigation measures are employed to protect workers and patrons.

Enforcement actions will be taken against businesses that are out of compliance effective March 19, 2020, at 8 p.m.

COVID-19 is a contagious disease that is rapidly spreading from person-to-person. People infected are capable of exposing others to COVID-19 even if their symptoms are mild, such as a cough. Additionally, exposure is possible by touching a surface or object that has the virus on it and then touching one's mouth, nose, or eyes. Spread by persons who are asymptomatic has not been ruled out.

Multiple areas of the United States are experiencing "community spread" of COVID-19, which means that the illness is being transmitted through unknown sources, not from known areas of infection. Mass gatherings increase the risk of transmission and community spread. Case counts of COVID-19 are rapidly increasing in the urban areas of the Commonwealth and especially our eastern counties, and cases are beginning to appear in other counties suggesting that community spread is occurring.

Symptoms of COVID-19 may include fever, cough, and shortness of breath. Older adults and people who have serious chronic medical conditions are at a higher risk for serious illness. Early symptoms may also include chills, body aches, sore throat, headache, diarrhea, nausea/vomiting, and runny nose.

On March 6, 2020, the Governor issued a Proclamation of Disaster Emergency due to the emergence of COVID-19 in the United States and the Commonwealth of Pennsylvania. Since the Commonwealth of Pennsylvania confirmed its first case of COVID-19, positive cases have continued to rise. As of March 19, 2020, the Commonwealth of Pennsylvania has 185 positive cases.

Non-life sustaining businesses present the opportunity for unnecessary gatherings, personal contact and interaction that will increase the risk of transmission and the risk of community spread of COVID-19.

COVID-19 is a threat to the public's health, for which the Secretary of Health may order general control measures, including, but not limited to, closure, isolation, and quarantine. This authority is granted to the Secretary of Health pursuant to Pennsylvania law. *See* Section 5 of the Disease Prevention and Control Law, 35 P.S. §§ 521.1; 521.5, sections 2102(a) and 2106 of the Administrative Code of 1929, 71 P.S. § 532(a) and 536 and the Department of Health's (Department) regulations found at 28 Pa. Code §§ 27.60-27.68 (relating to disease control measures; isolation; quarantine; movement of persons subject to isolation or quarantine; and release from isolation and quarantine). Particularly, the Department has the authority to take any disease control measure appropriate to protect the public from the spread of infectious disease. *See* 35 P.S. §§ 521.5; 71 P.S. § 532(a); and 1402(a); 28 Pa. Code § 28.60. The Department determines that the appropriate disease control measure based upon COVID-19, the manner of its spread in the Commonwealth and in the world, and its danger to Pennsylvanians, is the closure of non-life sustaining businesses as outlined in this order to prevent and control the spread of disease.

Accordingly, the closure of non-life sustaining businesses is necessary to protect the public's health. This Order shall take effect immediately and remain in full force and effect until further notice.

Rachel Levine, MD
Secretary of Health
